

Akshay Classes

Knowledge begins with Humility

A HIGH QUALITY ONLINE TUTORING FOR MATHEMATICS FOR CLASS 12 Students INTENSIVE PROGRAM FOR IIT- JEE 2022

(On Full IIT-JEE Syllabus – Mains & Advanced)

Integrated Program for Boards and IIT-JEE (Mains & Advanced) / BITSAT

Useful for all Engineering Entrance Exams of All States (EAMCET/KCET/PET...)

Tutoring Program Details

Duration:	2 nd June 2021 to 31 st March 2022
Weekly Contact:	5 hours per week
Timings:	6:30 – 7:30 PM (Monday to Friday)
Teaching Platform:	Zoom Video Conferencing App
Study Materials:	Notes, Videos and Assignments on Moodle LMS
Online Tests:	JEE Model Tests at the end of each module (Sunday)

FEE STRUCTURE

Monthly Payment Option: Rs. 5,000/- per month for 10 months

Bulk Payment Option: Rs. 45,000/- (Payable in two installments)

Registration Link: <https://forms.gle/QHXojuyPwyt6J2uk9>

Special Tutoring Features

- Excellent Review Material – Covering all concepts
- Two Levels of Practice Assignments on each chapter
- Tests at the end of each module
- At least three cumulative syllabus tests at the end of the course
- Imparting strong foundation in mathematical concepts in the students
- Step-by-step development in concept orientated fast problems solving skills
- Expertise with personal care: Free & Open interaction with the tutor

Akshay Classes

Knowledge begins with Humility

About the Tutor

Tutor Profile

Dr. Akshay Naidu is a richly experienced and dynamic teacher of Mathematics with 12 years of experience of teaching for IIT-JEE (Advanced) and GATE.

As a Civil Engineering Professor by Profession, he is also an expert teacher of Solid Mechanics, Structural Analysis, Structural Dynamics and Structural Retrofitting.

He specially cherishes his love and passion for teaching Mathematics. He teaches Mathematics from engineering point of view, making it very relevant and attractive to the students.

Students find his teaching style very interesting and clear. In particular, the graphical visualization and approach to problem solving makes it very easy for students to grasp the concepts and comprehend the depth of Mathematics.

Educational Background

- B.Tech. in Civil Engineering, Indian Institute of Technology (IIT), Delhi, India
- M.E. in Civil Engineering, National University of Singapore (NUS), Singapore
- Ph.D. in Structural Engineering, Nanyang Technological University (NTU), Singapore

Educational & Professional Achievements

- State Topper in Mathematics in Class X State Board Examinations 1991
- All India Rank (AIR): 1567 in IIT-JEE (1993)
- Research Scholarship from NUS, Singapore for M.E. program
- Research Scholarship from NTU, Singapore for Ph.D. program
- 27 Research Publications in International Journals and Conferences.

Teaching Experience

- 12 Years of Teaching Engineering Courses in Engineering Colleges in Hyderabad
- 12 Years of Teaching Mathematics for IIT-JEE and GATE in reputed institutes in Hyderabad.

"My Teaching Methodology: Imparting strong fundamental concepts and well-drafted systematic practice from simple to tough problems makes the students gain confidence and skills in problem solving. I do not believe in short-cuts based on tricks. I believe in swift solving based on conceptual knowledge and application."

- Dr. Akshay Naidu

Akshay Classes

Knowledge begins with Humility

What do the old students say about Dr. Akshay Naidu?

"I always looked forward to attending Akshay Sir's class. He explained the most complex concepts in a simple manner with illustrations. One of the many great qualities of Akshay sir as a teacher was that he could understand and anticipate the queries we had, and thereby clear them with intuitive examples. Sir's classes made learning Math a stress-free, fun experience."

- **Vinayak Bakshi**

Data Scientist at Goldman Sachs

Masters from Columbia University, New York

Bachelors from IIT Madras

"Akshay sir was one of the best maths teachers I had as a student. The reason for that was the intuitive way in which he explained the concepts. I was taught by him in the 2007-2009 batch and 10 years later I still remember how he taught the concepts of calculus and coordinate geometry. He's a kind teacher who genuinely cares about his students."

- **Ritu Tak**

Quantitative Researcher, JP Morgan Chase

Masters from Columbia University, New York

Bachelors from IIT Kharagpur

"Dr. Akshay has an organized and constructive teaching style. The classes are well presented, He takes complicated concepts and makes them not only easy but also logical. He genuinely cares about his students, if you have any questions he always goes above and beyond to make sure you understand it."

- **K. Praneeth**

CAE Engineer @ CANOO, USA

Masters from University of Florida, USA

B.Tech. from NIT Warangal

"Akshay Sir has an amazing ability to break down complex concepts into easily understandable chunks. I have personally benefitted tremendously from his teaching and guidance during my preparation for competitive exams. I used to be specifically excited about his classes. His teaching is very structured and disciplined, which helped me focus on important concepts to maximize results. I can say with absolute certainty that every student under his guidance will benefit from his teaching and experience and will become confident in JEE level Mathematics."

- **Dhanvi Sriram Athmakuri**

Software Engineer at Microsoft

Masters from Ohio State University

B.Tech. from BITS Pilani – Hyd campus
